Woman's Club of Merchantville

March 2011

**Garden District
Next Deadline
March 23, 2011**

Dear Friends,

Thank you to everyone who attended the February meeting. It was wonderful to see so much "red". You President would like to send out a special 'Thank You' to Trudy Painter, our 3rd Vice President and Program Chairman. She has provided some wonderful programs for us this year. If you have any suggestions for a program please be sure to let Trudy know of it.

March seems to be a very busy month for us. We have our budget meeting on the 2nd of March. Department Chairman should get to this President any donations that they would like to have made for this club year before March 2nd. Friday, March 4th is the EMD's Chinese Auction. Tickets for \$7.00 are still available.

We will be going to the Cathedral Kitchen on March 7th. We will be making sandwiches to take for the clients. If anyone would like to help make the sandwiches but can't go on the 7th please let Geri Tabako know. March 16th is our regular meeting and Mini Achievement Day. So be sure to bring any of your handy work or plants to display.

Thursday, March 17th is the Garden District Arts/Performing Day. Please try to come out and support our

members who will be performing that day. It is a fun time. March 23rd is the International/ Public Issues Card Party. If you haven't already signed up to attend please let Jan Hanson know. And last but not least is April 1st which is the first Phillies game!!!!

Hope to see you at all of these club events.

In Federation Friendship,
Geri
